## PENCE HAILS TS TECH DECISION TO BUILD ASSEMBLY PLANT IN NEW CASTLE

**Washington, Mar 9, 2007** - U.S. Congressman Mike Pence today hailed TS Tech North America's decision to build a new \$10 million plant in the New Castle Industrial Park. The plant will employ 300 people and make car seats to supply the new Honda plant in Greensburg.

□

**"Thanks to the leadership of Governor Mitch Daniels, Mayor Tom Nipp and other state and local officials, TS Tech will soon break ground on a \$10 million plant in New Castle that will employ at least 300 people,"** said Pence.

□

**"The people of eastern Indiana should be proud,"** said Pence. **"The decision of yet another company to locate here speaks to the strong work ethic and high integrity of Hoosiers in the 6th Congressional district. TS Tech's decision is a reflection of its confidence in the hard-working people of Indiana."**

□

**"Our community owes a debt of gratitude to Congressman Mike Pence for securing a \$1 million grant that will be used to lengthen the runway at the New Castle-Henry County Municipal Airport,"** said Bryan Coats, president and CEO of the New Castle-Henry County Economic Development Corporation. **"The runway extension along with the Industrial Park's location were the key factors in TS Tech's decision to locate in New Castle."**
